The Premises:

Located in a very quite cul-de-sac in Barnet, Easy to park at the time of day I visited. It was a lovely clean well kept flat. Felt safe.

The Lady:

Danni is a very beautiful tall woman. She is dark skinned with amazing alluring eyes and has a stunning smile. On top of that she is also blessed with the most magnificent natural breasts.

The Story:

As I mentioned Danni is very attractive, however just as important is that she is also very friendly and chatty and she put me at ease immediately after first meeting her. She assisted me into her flat as I am a wheelchair user but it was no issue and all done without any fuss. (There is one step to the front door just for info for anyone else with a mobility issue). At the beginning she offered me a drink and showed me into her living room for a quick chat before we made our way to the bedroom. We started with a light massage which was fantastic before moving on to oral. It was one of the best oral sessions I have ever experienced. I like kissing and thankfully it seemed so did she and I loved playing with her natural bouncy boobs. Danni offers a GFE like no one else I have seen and I enjoyed myself immensely. Her personality on top of beauty make a fantastic combination. I look forward to returning to see her in the very near future.
