The Premises:

Wonderful place is Annabellas and if you do your research right, find a most suitable girl. I was escorted to my room by one of the girls there.

The Lady:

Not much to say from the one picture that this new indian girl has on the website. Sometimes, it can be disappointing. Not this time. what a well toned, olive skin beauty at 5ft3, size 8, 34a. Her breasts were amazing and i gave them and her nipples a gentle hello. She had lovely brown tinged hair that flowed like water and her face was pretty, lovely smile. Again a charming accent and i loved her laughs.

The Story:

She was a little reserved at first and did allow some kissing. BJ was covered and the sex was good in a couple of positions. I did ask for an extension and she said she was booked; quite understand. She is a beautiful lady and i suspect very busy after this report. Still I hope another time, weather was not too bad today.
