### The Premises:

well reported by my self over the years

However it has had another small face lift and the heating is a lot better

and the lounge has been done with nice red leather seating and a big tv to watch while waiting

### The Lady:

Demi is small in stature and very very busty about a 38EE but ever so sexy

brunette hair just below shoulder length

on this visit she was wearing full make up a basque and matching panty also she had fishnet stockings and a pair of gold glittery shoes

Very very pretty girl a must for the conissure of small But BBW

very chatty fun and pleasant to boot

### The Story:

We hit it off in the lounge and decided to take the fun and banter to another level

Like upstairs into room 2 were i relief my self of my clothes and laid down for the much anticipated massage with lotion ofc

demi gives an excelent massage and just loves her work and it shows in the service recieved from her

a little O and covered and all the usual trimmings expected from a first class service GFE is offered all in all an excelent time had by both according to her and i shall return to this haven and beauty

Thank You X Demi chef
