The Lady:

Great curvaceous body, friendly, she has a really warm, friendly personality, very chatty, she really knows how to put you at ease. An oriental lady that knows how to please a man.

The Story:

Read on her profile that she offered a good massage along with covered oral and the other usual services, i was intrigued by her pictures and the feedback seemed genuine, gave her a try, i was not disappointed and i'll be back for more. Jojo relaxed me with a very good massage, something with her hands made it so good, i relaxed so much that i almost fell asleep, she turned me around, applied a cover and started to lick my balls and my dick, slowly at first then harder and deeper, great work with her hands and mouth too, a wonderful technique, i asked her not to stop and to keep going, it was so good that i didn't want sex, i just wanted to have Jojo working my dick, she obliged and kept going on, in the end i did cum, more appropriate to say that i've erupted, the orgasm and the massage made me so relaxed. The best covered blow job i've ever had. Go see her.
