Car meet as no incalls at the moment. Picked her up from near her house.

### The Lady:

5ft 10 about size 14 but not fat the tall curvaceous type of girl. Gorgeous face and absolutely amazing massive tits I think EE! Long black hair all round very pretty girl, think she was going out later so was dressed in a tight blue dress with stilletoes or maybe I was just lucky !

### The Story:

Lexy isn't doing incalls at the moment so Hotel visits or Car Meets. When I picked her up wasn't sure what I was going to get but was amazed at how pretty she was and those tits! She was also really friendly and immediately made me feel comfortable. We drove somewhere quiet. Now she does kiss and do OWO but it is at her discretion and boy can she deep throat!  
To be honest I had to stop myself from cumming and we went into the back seat where on with the rubber and I fucked her hard just to see those massive tits bounce.  
Hidden Gem , works with another girl called Danielle who looks like a big breasted version of Beyonce!  
If your a tit man on a pretty girl these 2 are the ones.
