The Story:

I had wanted to see Adele for a while as she has had so many great reports and looked gorgeous on the site. As soon as we were alone in the room I could tell it was going to be a great punt, she was very friendly and had a very cute, almost innocent smile although her eyes twinkled to show she was anything but.

Started standing with dfk and the chance for our hands to explore each other. Soon we were naked, kissing and caressing and my cock was rock hard. Onto the bed I lay on my back as she gave me one last kiss before moving down to take me into her mouth. Her technique is exquisite, gentle yet deep. I knew if she kept going I wasn't going to last much longer so I asked if I could return the favour which she happy accepted.

I went down on her beautiful smooth pussy. She was so tasty and quickly became very wet. She was very responsive and even wanted some fingers inside her (a rare invitation from most WGs) Her moans became louder and her hips pressed her pussy harder onto my tongue and she even asked for more fingers. I believe it ended in a satisfactory ending for her.

After some more kissing she put on the condom and I climbed on top for some gentle slow missionary. She was unbelievably beautiful as she looked up at me. It felt like a genuine GFE with deep tender kisses and lingering looks into each others eyes. She encouraged me to go faster and deeper and we held each other tight and fucked. I had an amazing orgasm to the sound of her moaning and gasping in my ear.

Afterwards there was no rush and we chatted about various topics before time was up and I had to be on my way. It isn't often I have wanted a longer visit than half an hour but Adele is certainly a girl I would spend all day with. Although she was very sweet during my time I get the feeling if you wish to have full on chandelier swinging sex it might be a case of be careful what you wish for! I am sure

she can be a filthy as they come! Am thinking of breaking my threesome cherry this year and I think Adele will definitely be one of the girls. All in all amazing!!!
