The Premises:

It's The Head Office, so it's clean, secure and safe. I normally see independent w.g's so this was my first parlour and I wasn't disappointed. Friendly and chatty receptionist.

The Lady:

I was hoping for Shakila but she wasn't available at short notice so I opted for Lola. Sexy, long blonde hair, fantastic legs, sweet perky bum gorgeous smooth skin, pert breasts (just the right size for me), very pretty face. I was very pleasantly surprised.

The Story:

Started with a nice firm massage moving quickly (at my pace) to oral with. Didn't take long before I had her in missionary and I was in heaven for a whole ten minutes before I could hold back anymore. This girl knows what she's doing, beautiful mover, nice and tight, you really feel she enjoys her work.
