The Story:

She has her hands running down my pants. Upzips me and starts one of the craziest BBBJs ever. Full on depththroat, spitting on it, sucking, and BLS. She almost made me blast my load within the first 10 minutes, but I held on. I stopped her short of me cumming, raised her up, undressed her, and then began a steaming DFK. Lots of tongue and spit involved. I spat on her face, she spat on mine, and there was just spit oozing all over the place.[13][13]I then lay down on back, raise my legs, and Alex digs in for the most intense rimming ever. Oh, boy! This girl gets her tongue really deep in my ass, spits on it, finger it, and she really seems to enjoy doing it. I then return the favor with DATY and her pussy juices tasted so sweet and wonderful. [13][13]Next on comes the cover and we get ready for an anal trashing. Alex lies on her stomach, me on top, and then I just go to town on her. I'm pretty big, but she was still able to take me all the way in without any issues. I kept ramming her in that position, all while holding her down. I then turn her over, spit on her face again, slap her, and then lick my spit off her face. This girl is nasty in a very good way. Finally we start out in missionary, and just as I'm about to shoot my load, I run to the mirror and shoot on to it. Alex then licks it off my dripping cum from the mirror, plays, gargles, slurps, and finally swallows.[13][13]I still had about 20 minutes left, but this girl is very good at stripping you of all your energy. I'm only in my 20s and I feel embarrassed that I just did not have anything left in me for round 2. With other providers I can actually do about 3 rounds in a hour, but with Alex you gotta be an Olympic athlete to compete. [13][13]I definitely look forward to seeing her on my next visit to london in 2013
