The Story:

Jenna arrived exactly on time for the outcall. No delays! I opened the door and this girl is stunning. She is a mix of a college girl and the girl next door types. Took care of business and then started a sensual LFK followed by deep and heavy DFK. I get more comfortable as I take off my clothes, and then focus on Jenna. She was wearing some sexy leggings covered those thin and spotless legs. Slowly pulled down her leggings which revealed her gorgeous ass cheeks that I start to bite. She whimpers! Now Jenna and I are fully undressed and skin to skin. We continue to DFK for a few minutes and Jenna then slowly moves down and grabs my cock.[13][13]She gives a fantastic BBBJ. Lots of spit, licking all over it, and also sucks my twins. She then raised my legs and gives me a fantastic rimming. This girl is amazing! Then, on goes the cover, various positions, missionary, doggy, pile driver, and I am then ready to come.[13][13]Take of the cover and I nut on her pink tongue. She plays with it and then gobbles it down. Off to the shower and then sadly watch as she leaves! Wish I could see her again!!!
