The Premises:

A very discrete location. Ample free parking, and a well-appointed apartment in a new build.

The Lady:

I can't fault the description or pictures on her website, not in any respect. She greeted me in skirt and blouse, looking very smart - the sort of lady and appearance you'd be delighted to be seen anywhere with.

The Story:

Chloe's website is called Just Chloe Kisses, and that's how I was greeted - with loads and loads of kisses. Then after the paperwork was dealt with it was back to lots of kissing and caressing until we started to undo clothing. Even this was to the accompaniment of intervals of further kissing, cuddling and caressing.

Once we were both undressed we adjourned to a very comfortable bed. Chloe didn't just allow me to caress her, she encouraged it and directed my efforts to yield the greatest pleasure, for us both. The only restriction was the use of teeth to caress her nipples; lips and tongue were fine, but no teeth.

And I must warn readers that Chloe's a real expert at OWO, and at prostate massage with her "buzzy thing" and other toys. My, but she knows how to hit the spot!

Then on with the cover and a spoon-like finale to reach a wonderful conclusion.

then, just because the climax had been reached, the visit wasn't over. We lay and chatted, had a coffee, and Chloe showed off her French knickers - they are truly magnificent! I'm looking forward to helping her with them next time.

She also offered a shower, but my time was pressing...

And good luck, Chloe, with the purchase of a horse.
