The Premises:

A private house about a 5 minute walk from New Cross rail station. It isn't discreet and the interior is very temporary.

The Lady:

I was greeted at the door by a male and once inside the door I could hear more mens voices. I was very nervous, but a female appeared and took me upstairs to a bedroom with 2 girls. I chose the bustier of the two, a dark haired, Spanish girl around a dress size 8.

The Story:

I was glad Clara bolted the door shut because I didn't feel very secure. I paid ?60 to the maid and was asked to tip the girl so I gave another ?10. I began to undress just as Clara was taking off her bra. All my anxiety dissolved the moment I saw her breasts. What a lovely pair! She said 32 and natural, but didn't know the cup size. I would guess a D cup with lovely pink nipples and areolas plus they are firm. The session started with covered oral and I enhanced my enjoyment by playing with her breasts. I asked for a breast relief finish and this was granted. I enjoyed decorating those leovely breasts and nipples.

I would be tempted to see Clara again,she works Friday and Sunday, but I'm not sure I would at that address.
