The Story:

This was my first visit to an escort and I've been lucky to find Ruth who is, quite simply, gorgeous. Ruth is an intelligent, multi-talented woman with a wide variety of interests, academic and sporting. She spends a lot of time keeping fit and healthy and as a result she has a toned, lithe body which is wonderful to hold, stroke and squeeze. Ruth has a wonderfully pert bottom, amazing hair and, is pretty much beautiful all over. She's great at intense kissing and all her other skills (including conversation!) are excellent too.

We started off downstairs in Ruth's elegant house where we began with passionate kissing that, without any hurry, led to a remarkable session upstairs in her spacious bedroom.

I never felt hurried or rushed - we took our time - and we went through a wide "variety of manoeuvres" which Ruth seemed very much to enjoy. Ruth's GFE is better than any GF I've known. It was a long drive to Cumbria but worth every minute. Can't wait for my next visit!
