### The Premises:

Above a shop on Cape Hill. A main road, but entrance was through a discreet alleyway.

### The Lady:

Slim, tall blonde in mid-twenties. Nice natural breasts, but wearing too much make-up.

### The Story:

Arrived at her place with much anticipation because her pictures and reports look amazing. However, if her service was matched by her enthusiasm to take hard-earned cash, then this girl would be just that. This was not my idea of a GFE; there was no kissing nor giving or receiving oral allowed. I did try to explain what I was expecting, but considering her english was not too good, I gave up quickly having learnt a hard lesson.
