The Premises:

Probably 18 months since i last contacted this private number with the maid Lilly, looking after affairs. I was not sure if it was raided and it was still viable, same address. I suppose business as usual with the chinese girl of the day. I rang the old mobile number and it was re-directed. Lilly does stuff on the phone and is not a texter. Lilly asked to wait (I arrived 10 minutes early) and made me a lovely cuppa of tea and then escorted me to the masseuse room, stroking my cock on the way out. Ah, those little touches.

The Lady:

Pleasant toned Chinese/Hong Kong woman, age always tricky, maybe 32? Lilly said 23, maybe. Well toned pale skin, smooth and firm with small breast 32c and hairy pussy. Why all the hair these days, much better when shaved i think.

The Story:

Nice little massage with her naked on my back and then her front, rubbing her pussy against my cock. BJ was covered and OK, time was a factor and so on with the mac and we did sex in a couple of positions. Overall, a nice way to spend an day.
