The Story:

This was my third visit to this parlour and the best so far. I chose Sammy from the two ladies available. She is very attractive and friendly and I felt I had made a good choice. My disappointment at learning that she doesn't do OWO was assuaged a little by her offer of watersports, which I had never tried before. The anticipation as I lay beneath her waiting for the floodgates to open was probably the best bit and I certainly enjoyed the view from down there. I felt compelled to go down on her after that and her pussy was lovely to eat. I really enjoyed the sensation of her squirming and shaking as a result of my efforts. We finished off with some covered oral and hand relief and I felt that this had been a really enjoyable punt. The basic price was 50 with an extra 20 for the watersports and RO.
