The Story:

Booked via CT Escorts who I have used in the past. Requested stockings and suspended belt not hold ups and wasn't disappointed

Penny answered the door looking quite the part. A fun flirty walk up the stairs to her living room flashing those stockings in all the right places makes a man of my age head for the blood pressure tablets

Excellent oral, sex in two positions, coffee and intelligent conversation. Penny is a real find in an area which doesn't have loads to offer. Would most certainly see her again.
