### The Lady:

Beautiful petite blonde, very naughty eyes + smile, imagine a sexy nymphomaniac xmas pixie in lingerie and you won't be far off

### The Story:

Wow where to start! Was running 5 mins later, so she ordered me to undress and lie down, cue a bout of intense, mind-blowing sex with a lot of DFK. Could barely speak or think afterwards. Once I'd recovered my faculties, spent a delightful 10 minutes kissing / cuddling / chatting, true GFE. On the way out we had to duck in to the bathroom to avoid a punter, she switched out the light and grabbed me for a passionate kiss in the dark. What a girl! 10/10
