The Premises:

Small tidy flat, dull lighting , adequate.

The Lady:

Very nice slim but curvy 26 year old brunette with very large round firm breasts.

The Story:

Greeted me wrapped in a towel smiling & looking very sexy. agreed on 15mins sex and oral.

As i undressed erika opened the towel revealing her huge round breasts smiling and asked if i liked big breasts as i looked her up and down - becoming hard immediately. Then standing in front of her ran my hands over her hips , sides and cupped and squeezed her breasts as she gently expertly played with my cock. After a couple of minutes she sank to her knees in front of me slipping my cock between her lips to the back of her throat while i pushed her further down with some pressure on the back of her head.

The action moved to the bed , put her on all fours and pounded her pussy to a great orgasm as she willingly pushed back hard onto my cock with my increasingly vigorous thrusts while i cupped her breasts and squeezed hard as they jerked around beneath her taking my time before slapping her smooth round arse and extracting myself.

Very nice sweet girl , happy to please and thoroughly recommended although the bedroom could benefit from better lighting/ decor.
