The Premises:

Nice, spotlessly clean, quite spacious flat. In a basement a few minutes from Lancaster Gate, easy to find and to get to by bus or tube. Perfectly safe and discreet.

The Lady:

Minnie is a mouth-wateringly gorgeous little Thai girl. Magnificent curves (truly magnificent, and all natural), really sweet beautiful face and personality. Soft, smooth skin, sweet little voice. One of the most jaw-dropping eye-popping bodies I've ever laid eyes on.

The Story:

Minnie is another incredible Thai newcomer on the London scene. Oh my God she's so sweet! Adorable in every sense of the term. Great enthusiastic service all round. I was coming from work so we started with a nice shared bath. I could've stayed in there forever! One of the best I've had. She's a wonderful kisser, great fun personality and sense of humour. She's relatively inexperienced, and extremely innocent and cute. The whole session was pure bliss from start to finish. I can't recommend this lady highly enough.

For those looking for a hardcore pse encounter however, I must point out that Minnie, in my experience, provides a purely GFE service. Which is exactly what I was looking for. And boy, what a service!
