The Story:

Tia walked in wearing just a body stocking, fantastic figure.

Started off with lots of kissing, then she started to suck my cock..... very good indeed and didnt want her to stop. Then on with the rubber and some frantic fucking for around 25 minutes, she was taking a real pounding and I was happy to give it to her.

Ended up with some filthy talk and a speedy handjob but there was no way little chops was going to cum. Mind was probably elsewhere as it usually is.

Great punt.
