The Story:

To be honest, I dont remember kissing her at all apart from the greeting.
All in all, good handjob, nice oral. Very quick bang with her on top and then me from behind,lots of filthy talk and then she quickly got me up next to the mirror and wanking myself off over her tits. I ended up cumming on them and she rubbed it in.
All in all an OK punt but if I wanted to be in and out in 15 minutes I would have gone to a Soho Walkup.
Not for me however she was a lovely lady and got me off..... good if that is your sort of thing.
