The Premises:

Brooklynns - Busiest parlour and open waiting room. Clean and clear, nuff said.

The Lady:

Emma is pretty - blonde, late twenties, busty, athletic, shoulder length hair, tanned and quite talkative.

The Story:

A nice massage, led to doggy style, some missionary and then ended with her rogering me royal - V. Nice. It's not my first time with Emma but sometimes she makes it feel a little rushed or seem a little distracted but TRUST ME she isn't (She inserted the little fellow from behind without me noticing which impressed me). Although I didn't mind at the time, I think it was an off day for Emma since her legs felt a little rough. However, I personally would see her again and I would recommend her but there are other ladies in Brooklynn that would probably rank higher.
