The Premises:

Small flat in a modern block. Safe and cosy. Clean although she had just woken up

The Lady:

If you like dancers or athletes, she is a prime example although tiny; much smaller than the impression on website. Best tits I have encountered for years and flat muscular stomach. Good slim legs too and a hint of the east in her face but that was exactly as on website.

The Story:

Given that she had only just woken up and was embarrassed by having no make up on, once she had her clothes off I was stunned...much better than first glance coming through the door. No acrobatics, no swinging from the chandeliers but an hour I thoroughly enjoyed. If one reckons that out of five punts, one is a disaster, three very average, one enjoyable and one wonderful, I would put her in the third or fourth category. She is also Eva at Best escort 4 you, Erica at hot collection, Ivon at Diva which is the only honest one to record her at 5ft 1" Ria at Agency Caprice and Emily at Babylon
