### The Premises:

Although I know this place from previous, the Front door is on a main London street but the Secretary is quite prompt and, hey, lots of people knock on Front doors in London.

Inside, Very pleasant and accommodating.

### The Lady:

I can only endorse the compliments of my colleagues ? tall, peachy, leggy blonde, a beautiful, all tanned full feminine figure which was highly responsive, several times ? at my age, I just love to see a writhing, gorgeous body, lapping up my attention.

### The Story:

For myself, I had absolutely no complaints and as always I will not divulge, having very Vanilla tastes (no DFK etc not a problem) but, sensing the mutual enjoyment of my partner always pushes my ?Detonate? button.

Very easy to chat to, no clock watching, don?t hesitate.

Parissa is wonderful and well worth a re-visit.

Oh dear, my Report is likely to be No. 13 but certainly not unlucky for me.
