The Premises:

Flat in safe area near the airport, easy parking. Flat itself was clean. Bedroom with ensuite was fine.

The Lady:

Katya is similar to her profile 'sexy kitten x', pretty, long dark hair, size 8, prob 34C/D, slim wearing black lingerie and stockings, looked quite nice.

The Story:

Another of those punts where the lady bearylly speaks and you have to request everything. No chatting, no warmth, no personality, a real could give a shit attitude. I stripped off and started with massage which was amazing in its complete lack of any sexual touching. I actually had to ask her to touch my balls etc. Turned over, on with condom for oral then her on top, all without a word. Then doggy, which led to me loseing my erection as it was like fucking a stationary object. Eventually wanked myself over her tits. Another instantly forgetable and regretable.
