The Premises:

Clean three storey town house close to shopping centre with plenty of cheap parking close by.

The Lady:

Gorgeous young lady about 26 years old, height 5.3 tall, short hair, stunning figure, slim with amazing breasts. She also has beautiful eyes a very cheeky smile which I find quite infectious, a great sense of humour and a lovely laugh. All in all, a true gem.

The Story:

I have seen Pixie many times and only now have I decided to submit a report. We started with DFK and then quickly moved to the bed where I was treated to some amazing OWO. More DFK followed then I was directed southwards by Pixie to work on her lovely tasting pussy. I just love this as Pixie is so responsive and as always, has the most amazing orgasm screaming and writhing with pleasure. Then more DFK followed by OWO prior to fucking missionary style. With her warm tight pussy wrapped around my cock and Pixie saying how it felt brought me an incredible orgasm. Back to some more OWO and DFK before round two. Pixie was soon climaxing with an orgasm that seemed to go on forever, I however, was happily knackered. She said that she had missed me at some point, well it had been a week since we last met.
