The Premises:

Very nice large flat near Lancaster Gate tube station on a quiet street.

Bathroom was large and clean. Bedroom was also large, clean and had mirrors opposite the bed.

The Lady:

Maria is a petite woman with nice enhanced breasts and soft, smooth skin. Her hair is shorter than in her photos. And although I suspect the photos on the agency site are a couple of years old, Maria is still a lovely, cute, sexy lady.

The Story:

Before visiting Maria I had read many favourable reports about her on Punternet + reviews on Invasianescorts website and I just had to go and see this lady.

I can concur with other reviews that Maria's level of service, energy and personality are absolutely superb. She is a sex-bomb who just blew me away and is incredibly adventurous. I thought the assisted bath after our 2 hour full-on session was a great way to relax and de-stress our aching muscles.

I think a testament to how good and popular Maria is is measured by the fact that it is difficult to get a booking with her and the agency were not kidding when they advised to book Maria in advance.

I think I have fallen in lust and love with this woman and want her all to myself.
