### The Lady:

Danielle is a very sexy English brunet with the most amazing tits and great smile.

### The Story:

Danielle meet me at the door wearing a pink and black basque stockings suspenders and heels She made me feel relaxed and welcome from start to finish. Started with a sensual teasing massage with plenty of attention to balls and bum, gentle kissing of my neck and back whilst she rubbed her fantastic tits over me.. Turned over for one of the best BJ's I've had in a very long time, this girl really does know her stuff and has the best eyes and lips ever with plenty of eye contact and using only her mouth I couldn't hold back and exploded in her mouth. Quick clean up and another massage while I recovered.

Round 2 started with that fantastic BJ then for cow girl, spooning, mish and finished in doggy wow I highly recommend Danielle she really enjoys what she does and will make you feel like your in heaven.

Thanks DANIELLE will be back to see you really soon
