The Lady:

Very Attractive English Mixed race. See Her Pictures On The Web Site. Very friendly Lady with warm personality.

The Story:

Went For 30 mins GFE. Explained what I wanted i.e to end with uncovered CIM as she advertises this on her website profile. She nodded and proceeded. Very sensual body/body massage. Only briefest of peck on the lips kissing just about passable. Good oral skills on nipples and genitals. Everything fine ,getting near crucial time and then the killer "Don't you cum in my mouth whatever you do" come on my tits if you like. With this I almost lost my erection. I carried on and finished myself of by hand with some assisted licking to my genitals by Santana but mainly due to the Viagra I had taken.

As she is such a friendly girl I don't really want to give her a poor review but the main reasons I chose her i.e. French Kissing and CIM were not fulfilled.
Felt rather cheated.
