The Premises:

Central Reading hotel. Fine to walk past reception. Cleaning staff were around though so had to be quick to get in room

The Lady:

Looks older than mid 40's as her AW profile says. Decent figure and fake boobs. Blonde, about 5ft 2in

The Story:

Well, he profile states:

deep french kissing - she doesn't
deep throat oral - she doesn't
good rimming service - she doesn't

When I walked in the door my first reaction was to leave. Should have trusted my instincts.

Very mechanical service. Started with a massage, which wasn't great, turned over and she announced "now I'll give you oral without", tried to pull her up to kiss and was told "don't pull me up love".

Oh dear...

Then a couple of minutes of her on top and then missionary.

Could really be bothered after that.

Don't waste your time guys
