The Premises:

The posh and immaculate one in South Kensington, just a 5 minute stroll from the Gloucester Road tube station.

The Lady:

The complete package - from her silky hair down to those cute toes ! She has lovely features, magnificent breasts and a great bottom. What more could a horny guy ask for ?

The Story:

This was the second time I met Lara, and the fact that this is the first ever FR I am writing on Punternet should speak volumes about just how awesome this woman is !

This time, she was dressed in a naughty sailor outfit which showed off her curves perfectly. Both times I've found her to be very full-on and passionate. Without going into the intimate details, I will add that she was happy to indulge some of my kinkier desires, such as reverse A and foot worship (I discovered to my pleasure that she has perfect feet too).

I hope to see her as often as I can, so HOD owners please make her a permanent fixture in London !
