Pixie is like her photos; but her eyes (hidden in photos) are sparkling.
Ive no idea where she is from but they make very fit, dirty sexy girls there so i must visit.

The Story:

Ive been waiting to see Pixie for some time and I was not dissapointed. Ive been with many of the fab HOD girls, but she is something special.

I usually like to get my way with a girl; flip em over, fuck them hard, push my cock down their throat but no way with this one and what a buzz .. she basically dominated me in a very direct, filthy way. amazing.

Stripped me, put me on the bed, and worked my cock for 25 mins with her eyes, mouth, tongue like no-one has ever before. She had her fingers in my mouth, pinned down my arms, all the time sucking and spitting and playing with me. hand onmy mouth, wouldnt let me speak, but such a kick. It wasnt Dom, but it was close.

As we progrssed, having denied me fucking her, she had a finger in my ass, just enough whilst biting me (with my permission) - pain and pleasure was amazing.

When I asked whether she would CIM, she looked me in the eye and said, 'yes, if you snowball' - never tried it, I was unsure but said 'ok'. When I came, after 25 mins, it was CIM and about as strong as I have cum in ages.

Something about this girl. Fantastic session.
