The Premises:

Clean modern flat on a quiet safe street not far from Paddington. Clean bathroom / shower and a good sized and warm bedroom (it's pretty chilly outside at the moment)!

The Lady:

Chelsea is a beautiful young, tall, buxom Thai girl who looks exactly as in the pictures on her personnel site - in fact she even has many of the same outfits to hand!

The Story:

I found the flat easily from Chelsea's directions and was welcomed by her dressed in some amazingly sexy black lingerie! Chelsea's English is exemplary and she offered me a quick shower before starting an exquisite oil massage. It's here I began to appreciate her breasts, she has a fantastic rack which was rubbed up and down my back and eventually my cock when she flipped me over! I was so hard by this time, and she moved onto an uncovered blow job - with the occasional lick of my balls. It wasn't long (I couldn't take much more!) before she slipped on a condom and slipped herself on top of me. I managed to control myself to try a few different positions with her, all of which involved some passionate kissing. I wish I could have been stronger and gone again, but it wasn't to be! Chelsea is most definitely not a clock watcher and I spent my recovery time chatting with her and we were still talking for a good time after my hour! I will definitely see Chelsea again (and again!), in fact I shouldn't really let the secret out with this report - but she deserves it!
