The Premises:

perfectly acceptable but 3 story house means a lot of stairs. The maids here always keep the rooms at a high standard

The Lady:

Delightfully petit with an enhanced bosom and small but pert arse that I had to enjoy. A wonderful vivid red mass of hair surrounds her cute face.

The Story:

Millie is a local girl ,like the lovely Demi, and I had a great time with this keynite. A good kisser she quickly progressed to a deep throat owo while presenting her body so I could caress it. After 10 minutes of bliss she read my mind and asked if I wanted A levels. "Goody " she said when I replied " yes please ".

Lying on top of her delightful body with her thighs on my shoulders, her eyes twinkling at me , as I stare at those large breasts, is wonderful. It quickly becomes even better when she slowly feeds me into her rectum. She writhes, I thrust to a 2/4 rhythm and orgasm is achieved within 10 minutes.

We cuddle and kiss while I regain my strength then she sits astride my face and I lick while she makes lovely little noises before sighing and getting real wide on. She spins around and as I finger both anus and vagina she sucks hard until I come in her mouth.I decline her offer of snowballing and just wallow in pleasure .

What a great girl !
