The Premises:

This location is in a grotty, first floor flat in Middlesex Street.
The stairs are not carpeted and there are boxes everywhere.

The Lady:

Paula is a really good looking, young Thai girl about a dress size 10 with 34B breasts.

The Story:

A session consisting of a massage, not very firm, covered oral and sex in the doggy position with me standing. I tried my best, but couldn't come so I finished by stroking myself and coming over her boobs.

After leaving I made the short walk back to Aldgate Station.
