The Premises:

Accessed by a side alleyway via a metal door with buzzer on it. Clean and tidy as usual.

The Lady:

Jessica is not the one that worked there a while ago. She is about 5ft 3-4in with a 36d bust with nice nips and a lovely taut backside. She has long blonde hair and is nice looking.

The Story:

This was a basic service oral with and sex. Reverse oral and gfe were extra. It was not one of my best sessions and a bit of a struggle on my part. It was by no way Jessica's fault probably my excesses from the previous night finished off by hand and had a shower. She was a very pleasant lady throughout and I would probably go back and see her.
