The Premises:

A small flat designed for one overnight stay, clean and functional. Located near train station, no immediate parking but available 5 mins away.

The Lady:

Eastern European, blonde, plump with large tits. Friendly enough to begin with. Dressed in nice lingerie and hold ups.

The Story:

Booking was ok, although she has habit of not answering phone even when she is not busy. Directions ok. First appearance also ok, she is not a stunner and not a monster. Money out the way and to the bed for a perfunctory massage, then onto more intimacy. At this point Natasha turned cold I thought if I did oral on her she might warm up. Got that wrong, as she stared up to the ceiling thinking of Poland or wherever. This lasted 5 mins before she grabbed a condom, put it on and began to suck me. In fairness she was quite good albeit that I couldn't get to play with her pussy or tits!

Moved on to a missionary fuck, this had all the passion of a rainy day in Brighton.

This was not a good punt so I finished and left even though I paid for an hour, and indeed once done she made no attempt to prolong the meeting.
