The Story:

I am a gent of somewhat advanced years, in fact of OAP status, however I like to think I look after myself and am still up for it. I asked Kitty on the phone if she minded seeing someone of my age and she was perfectly happy to see me. She was very friendly on the phone although I kept the conversation brief. All you need to know is on her website.

She was just as welcoming and pretty in real life. If you are looking for a really good GFE then she is absolutely perfect. She is great fun and approaches the whole thing in a delightfully light hearted way which is exactly how I like it to be.
