The Lady:

I was in Sirens a few days earlier chatting to Holly and Charlotte and Mia was there. We didn't know each other but she was immediately comfortable with me in the kitchen whether she saw me eyeing up her body or not. Mia has a lovely girlish face and a trim body. Her tattoos made no negative effect on me as some do; they are effective I think.

The Story:

Mia is a really nice straightforward girl whom you can feel you get to know very quickly and to me was someone I really enjoyed getting to know. We interrupted easy chat to say hello with cuddles and fondles before getting on the bed.

It went even better from then on. More easy chat but more sexual action also with oral and then 69 and then reverse cow and cow. Then into mish and we both seemed fully involved before a hand job to finish.

Just a lovely girl to be with, to be lucky enough to be intimate with and oh that girly face made a big impression on me and I look forward to being in her company again soon.
