The Premises:

Standard A location but... this one had a great shower. A first. A first for any location in the UK. (Should have spent all 60 minutes there.)

The Lady:

S is a very statuesque lady with fantastic appendages, all natural, and quite gorgeous. (IMHO.) I was attracted to her by the fantastic set of photographs on the website. She does not disappoint. Beautiful and so, so soft. Very supple and smelling FAB. Great personality and down to earth with a wicked side. Relaxed and accommodating in every way.

The Story:

I had booked to see another lady but a combination of: a) An admission on Twitter that she had been out on the town the night before and was knackered b) Scarlet's pictures, made me switch to the vision that is Scarlet. What a great 60 minutes with a genuinely lovely "northern lass". She deserves to be successful and I hope she continues to travel south to look after us "soft-southerners" for a long time to come. Thanks S - here's to the next time with a Lisa Stansfield sound-alike. Yum, yum Scarlet you are a star. Pity she called me dad on one occasion. (LOL)
