The Story:

I have been calling on Julia for 3 years now. I thought she was amazing first time around but it just gets better. What sets Julia apart is her friendliness and responsiveness to your needs. She just wants you to have a great time and so she is very interested in you. She learns about what makes you tick, the things you enjoy and how you want them delivered. That way things simply get better the more often you see her.

I always go for a good chat -Julia is very bright and interesting - GFE, sex, reverse oral. w/s and more. By the way she kisses and pees like an angel ...

Julia also provides dom though its not my thing.

Guys if you want the best, pay this girl a visit but treat her well she's a gem!
