The Story:

A chunky lass but very enthusiastic which makes up for a lot. Not my physical type but has a good attitude so can recommend on that score.

Postscript - sadly this will be my last FR for Punternet. I have been reporting now for nearly 10 years but in recent weeks I have found that too many of my reports are being rejected for no reason that I can discern. I don't get paid for posting reports so it is rather disheartening that the majority of my reports are now being rejected and I have therefore decided that it isn't worth the effort anymore.

Yours signing off for the last time
