The Premises:

On a busy street which is off putting but back entrance looked uninviting so piled in the front. Reception ok; downstairs bog had no soap.

The Lady:

Very pleasantly surprised because I had not met Rebecca before. Petite, long black hair, hazel eyes (I think- I was too busy sucking her tits), lovely pretty face. Some stretch marks on tummy but generally toned and a super super bum in a thong. 18-20 years old.

The Story:

Made up the costs as we went along which was fine- I knew it was her first day at work at Head Office so I was quite relaxed. As long as she was not a troll, the size 4-6 and 18YO description was enough for me once I had established she did B - Z and kissed too. Great kissing, treated the old man a little impersonally by hand until she popped him into her little mouth with me sitting on the edge of the bed. Gave great OWO; what she did with her hands was slightly mechanical but her mouth gripped onto the end of my cock was just sublime- and frankly I would have just sat there all day. Reluctantly I took her thong off (great arse, covered or uncovered) but got the reward of going down on her for 15 minutes or so. This loosened her up a bit (a bit quiet up until then) and she was ready to climb on top straight after. Very wet. Not her favourite position on top- to start with, but I think I might have converted her. Gripped onto her and fucked her rather than she rode me, which seemed to surprise her and she grabbed me back. As I said, started to loosen up and relax a little which made it more enjoyable for us both. Blah, blah, blah and she wanked me off so I came on her belly and thighs. Had originally established that OWOTC was ok for an extra but she preferred 'on' than 'in' so being a gentleman I obliged. Still got charged the same so being a gentleman did not pay off! Nice little chat after. Not a star performer but will mature into a very nice regular punt with age and experience. She has youth and a pleasant relaxed personality on her side, and I will definitely see again.
