The Premises:

A very discreet location about 5 minutes walk from South Kensington station. Safe and simple to find as per telephone directions. The inside is well appointed, clean and comfortable.

The Lady:

Classic Brazilian features. Smooth lightly tanned skin, thin waist, nice round hips and ass and beautiful large firm breasts. Fit, but with delicious curves in all the right places.

The Story:

Arrived at the place 5 minutes before schedule and was invited by a pleasant lady receptionist who led me to a bedroom in the back and offered a refreshment. Lara herself arrived several minutes later. Despite the usual glamourized pictures on the website, she looked as beautiful as I expected. We chit-chatted a little in-between kisses and then undressed to get down to the pleasant parts. Lara started off a little reserved, doing what I asked her to do (but with great skill and enthusiasm), but as the time went by, she became more and more naughty and excited. A very sensual and satisfying hour very well spent.
