The Premises:

Modern flat and nicely furnished with plenty of secure parking close to main shopping area.

Welcomed by her maid who is very charming. She provided me with a choice of drinks and company during the brief waiting time until I saw Mistress Helen.

The Lady:

Helen is a tall beautiful young brunette with curves in all the right places. Exactly matches the photos on her website.

The Story:

Have visited Helen several times before for her service of gfe and domination. She is a superb provider in both these services but as a dominatrix she is second to none. So much so that as from today I now belong to Mistress Helen. In this session Mistress tied and teased me with her mouth, body and toys until I begged her to do anything she wanted. I gave her pleasure as instructed and she responded in kind but not before I had confessed my obedience to her in front of her maid. Now that I have given myself to Mistress Helen completely I cannot wait to discover what plans she has for our next session.
