The Premises:

Had Sophie come to my house for an outcall.

The Lady:

Stunning looking girl, enhanced breasts and lovely body all round. She's had 3 kids so shes not as toned as some women out there. But i didnt have a problem as she was generally a lovely sweet girl to spend time with and get to know.

The Story:

Started off the evening by getting to know her, very chatty and open. Then went up to the bedroom where she undressed. Got started with lots of kissing and teasing, her deep french kissing is out of this world, had me tingling.

Her OWO was superb and she really knows how to use her tongue. Then moved onto sex, wrapped myself up and away we went. Tried doggy which was lovely , seemed to really enjoy it and asked me to do anal with her which was a lovely surprise.

Had a mind blowing orgasm then spent the last 30 mins talking away.

Looking forward to our next time where i think ill be keeping her alot longer than 2 hrs.
