The Premises:

The location is an Edwardian terraced house between 5 to 10 minutes from the tube station. It is very comfortable inside and clean.

The Lady:

Anjali is a tall, Sri Lankan girl with a gorgeous, brown skin colour. She greeted me wearing Asian clothing which looked lovely.

She has lovely, full 32C breasts and a shapely bum and legs.

The Story:

I enjoyed the session partly because Anjali is educated and good to talk to. The session consisted of uncovered oral, sex in the doggy position and a slow hand finish. I wasn't hurried so I took every opportunity to enjoy Anjali's lovely body.

I could imagine Anjali working as an executive in an office, she is very classy. The sort of girl you fantasise about.
