The Premises:

Large non chain hotel in Feltham near to the station, room was clean and comfortable, parking was free for up to 3 hours.

The Lady:

As per her pictures on her profile "Horny" Tiffany is a slightly older petite lady with a bronze fully shaven smooth complexion. She has a lovely little figure and blondish hair that looks great on her. She wore a pretty top and sexy holdups, clearly she wants to make a good impression for her clients. She smiled a lot which did help to put me at ease. Her English is limited as she tells you when you meet her. I would say late thirties or early forties.

The Story:

Tiffany is a real gem in a bit of a Hungarian minefield for punters in the Hounslow area at present if you, like me, prefer a gentle but passionate GFE. She is the sort of person I would not expect to be in this game but am very glad that she is.

Lots of french kissing both ways and to me at least genuine pleasure from my oral efforts all over her body, she is really clean and fresh tasting, she was not afraid to give me good oral without more than once. After about 40 mins I decided not to push the mutual foreplay too much and slipped the condom on for some intense missionary after which she got me to lie with my head in her lap for a nice head and shoulder massage. Go visit and enjoy her company but know that she is a lady.
