The Premises:

Budget hotel, T*lodge. Feltham is a sh1thole, i wouldn't want to be walking around this area late at night.

The Lady:

Early 20's girl from Slovekia. About 5'7, dark hair. Really chubby, not really my type but i couldn't tell from the pics she would be a tubster.

The Story:

I didn't really like the girl but i had travelled an hour so i decided to have a go. Started with massage which was crap, she basically kept pushing down on my back with her hands. I asked for a blowjob which was great - finally something she is good at. After a while we had sex in mish and i left after about 30 mins still remaining. I would recommend if you like big girls, but i wont be back.
