The Premises:

Not an easy place to access by road, rail ok. I ended up parking near the main police station and getting a taxi to the Bullring area, close to an isolated street where there was a block of apartments. So that makes ?5 each way taxi plus ?5.50 for parking for 2 hours. The website looked great and promised a lot. sadly the flat was sparse, no towels to dry hands and the girl insisted on proceedings in near darkness with light from a en-suite bathroom.

The Lady:

Fortunately, the girl was lovely. A Japanese girl called Suki, though she has a strange English other name of 'Daisy' - a bit old fashioned? that is the one on the website with a cheeky tongue out. She was about 20, a 34c and 5ft4in with short black hair in a pony tail. Her nipples her big and the breasts were firm and i think natural. I think she is the girl in the photo.

The Story:

I wondered at times as the massage with oil was non directional and i decided to take over and massage her and do what she desribed was a very good oral. She offered and received kisses, though not DFK. For an extra ?30 it might be oral without and i declined. Good job as not really into that BJ technique. What was great was that she allowed quite a lot of positions for sex and overall, i quite enjoyed it.

I think this agency if it going to charge comparable costs to big agencies of London, Leeds and Birmingham - it will have to pull its socks up and offer more quality to its punternet customers.
